Protocols Of Elders Of Zion: Mystery & Conspiracy

Synopsis

Learn the story of the Protocols of the Elders of Zion with iMinds insightful knowledge series. The Protocols of the Elders of Zion is the one of the world's most famous conspiracy theories. It is a statement of prejudice and paranoia, a fake historical record and a grand hoax all rolled into one. The Protocols claim to prove that there is a Jewish plot to take over the world and purport to show that socialism, liberalism and every other reformist idea or activity are just tools of a Jewish secret cabal. The Protocols have been discredited many times over their 110-year-old history and would be laughable, except for the tragic role they played in the Twentieth Century. iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind.

Best book after the Holy Bible.

There are 24 protocols. This book does not number or separate them as they are given in some other versions.
