## **Customer Reviews**

This book really takes the reader on a vicarious journey to the beautiful island of Jamaica. As I read it I imagined myself in this beautiful tropical island having a great time. It brings back memories of my childhood experiences growing up in Montego Bay.

With beautiful, charismatic, and eloquent illustrations, Fun In Jamaica takes your little ones on a paradisiacal vacation from the comfort of their own homes.

This book is great for kids, a must for parents to read out to children. Filled with a fun adventure in Jamaica, the author has playfully illustrated with pictures and easy to read texts.

I gave this book as a gift to my 3 year old nephew. He enjoyed it. I think it was meaningful to him because of his recent visit to Jamaica. Appropriate, easily understood language for small children.
