Good halloween book. Lots of good ideas. I would recommend.

"Ghouls just want to have fun" claims one of the headlines in this delightful compilation of arts and crafts ideas to make Halloween parties and entertaining more fun. Isn't it amazing how Halloween has developed almost into a national holiday but with the clever ideas presented in this Better Homes & Gardens Tricks & Treats book, it provides a great opportunity for families to get away from the TV set, the computer screen and the isolation of the iPod and other personal high-tech devices in order to join forces to create everything from carved pumpkin decorations to a Halloween themed buffet and costumes that won't break the family budget. A wide assortment of art templates are offered that can be copied, in addition to an extensive resource list at the back that includes places where you can source such ghoulish decorations as life-sized skeletons to create the ultimate in yard theme decorations! Diamonds may be a ghoul's best friend, but this Better Homes & Gardens Best of Halloween Tricks & Treats volume is a mine full of idea treasures to make your Halloween season more fun!

Great book!Plenty of ideas and fun things to make with or without kids for a great Halloween party!Great recipes!
