The World Of Poldark

Synopsis

The World of Poldark explores the characters, the compelling stories and the era that Winston Graham's Poldark novels- and the television series - set out to recreate, the England that Ross Poldark returned to from the American War of Independence. England, and especially Cornwall, was then marked by social unrest and a deep division between rich and poor. It was a place of tin mines and shipwrecks, of new money versus old, of harsh justice and great kindness. Amid the turmoil of eighteenth-century Cornwall, Ross comes back to a home in ruins, his father dead and his childhood sweetheart engaged to another - his own heart as battered as the country around him. Experience the great houses and the glorious landscapes and follow the cast of characters as their stories play out against the backdrop of Cornwall's wild beauty, through interviews with the actors, behind the scenes insights and in-depth information on costumes, props and locations. Packed full of behind the scenes photographs, The World of Poldark is the ultimate guide to the popular series.

EMMA MARRIOTT is a writer and editor, and author of several popular history books, including the bestselling series *I Used to Know That: History* and *The History of the World in Bite-Sized Chunks*. As a former in-house senior editor at Macmillan UK, she also has extensive experience editing a wide range of television and film tie-in books. Emma lives in Bedfordshire, England with her husband and three children.

Excellent companion to the new TV series on Masterpiece Theatre! I love my copy and would buy it again. Every Poldark fan needs this book. The pictures are stunning and the commentary spot on!

A good book but only discusses season 1 although season 2 has already been seen in USA. In other words a year out-of-date.

A must for any "Poldark" fan. Beautifully illustrated with lots of photos and interesting back-stories. I highly recommend it.

The book describes the background of the Poldark story including sections on the geography, fashion and customs of the times. Worth reading before the 3rd season starts.

Love love love it! Helps a bit with my withdrawals from Poldark. It truly is a lovely book full of great photos and stories about the cast and production. Any Poldark fan will love this!

I loved it and the books of Poldark i wish there were more of the series on tv. i also loved Adian in the books and tv i tried to picture my self back in those times.

This book not only included behind the scenes information about the Poldark BBC series, but also great information about life in 1700s Cornwall. This background information makes watching the show a more enriching experience. There are also gorgeous photos of Cornwall. I love this book!

Love these....and I am surprised that the PBS series is so true to the novels.
