The Top Ten Things Dead People Want To Tell YOU

Synopsis

“I know this may come as a shock, and you know I’m not fond of using stale one-liners, but •reports of my death have been greatly exaggerated. I’m as alive now as I was on the day we met, except, maybe, more so. If the dead could speak, don’t you wonder what they would say to those of us they’ve left behind? What would they tell us to soothe our sorrow for their loss, calm our fears of what happens when we die, and fire us up to live the best possible lives we can right now? In pages filled with wisdom, humor, and, yes, joy, New York Times best-selling author Mike Dooley explores our most pressing and profound questions about the afterlife—and this life—from the fresh perspective of those who have made the transition to the next phase. Among the revelations and insights they share:

We were ready; you are not.

There is no such thing as a devil or hell.

We are sorry for any pain we may have caused.

Your pets are just as crazy, brilliant, and loving here as they were there.

Nothing we say can prepare you for the beauty of the moment you arrive. You’ll learn that our loved ones are not lost to us; that our time on earth is both a school and an adventure; that, all appearances to the contrary, life truly is fair; and that we have it in us to reshape our own fortunes, starting today.

Customer Reviews

Ã¢ “A book about living that will help readers see more beauty, feel more power, and know more love.Ã¢ • don Miguel Ruiz, international best-selling author of The Four Agreements Ã¢ “Fabulous! Mike Dooley shows you how to stay alive for the whole of your life . . . and beyond!Ã¢ •Ã¢ • Robert Holden, Ph.D., author of Holy Shift! Ã¢ “Three times, from three completely independent sources, I was told, Ã¢ “You need to meet Mike Dooley.Ã¢ „¢ After the fourth time, when the person doing the suggesting even went to the trouble to forward his email, I took it as an omen. To all four of you who thought I should meet this incredible writer, this awesome spokesman for the Universe, for joy, and now for all our dead ancestors, I owe you. For everybody else, donÃ¢ „¢t wait. Get The Top Ten Things Dead People Want to Tell YOU and everything else Mike Dooley has ever written and read it now.Ã¢ •Ã¢ • Pam Grout, #1 New York Times best-selling author of E-Squared and E-Cubed Ã¢ “Mike Dooley has penned a brilliant, deep, and at times hilarious account of lifeÃ¢ •and life after life. Read it cover to cover and donÃ¢ „¢t miss a page. If youÃ¢ „¢ve ever wondered about the nature of reality, how consciousness creates the world we live in, and the truth about time and space, this book will ring bells in your DNA and wake you up to live with joyful awareness. Read it with an open mind and be prepared to have all your preconceptions challenged with a smile and a wink. Bottom lineÃ¢ •you wonÃ¢ „¢t be the same person who began it when youÃ¢ „¢ve savored the last page. I loved it!Ã¢ •Ã¢ • Colette Baron-Reid, author of The Map, Messages from Spirit, and best-selling oracle cards Wisdom of the Hidden Realms and Wisdom of Avalon Ã¢ “In The Top Ten Things Dead People Want to Tell YOU, Mike Dooley lifts the veil between our perceptual world and the world beyond our physical sight. Mike reminds us that we’re always being guided. His assurance is the greatest gift we can receive, as it helps us accept that we are not alone. Read this book and reconnect with the love that is all around you.Ã¢ •Ã¢ • Gabrielle Bernstein, New York Times best-selling author of Miracles Now Ã¢ “I love this book! Page after page, I found myself going, Ã¢ “Well, that explains things!Ã¢ „¢ and feeling inspired, full of joy, and wanting more.Ã¢ • Who knew Ã¢ “Dead PeopleÃ¢ „¢ could be so smart? A must read!Ã¢ •Ã¢ • Nick Ortner, New York Times best-selling author of The Tapping Solution Ã¢ “Mike Dooley has written a refreshing, powerful, and paradigm-shifting book! The Top Ten Things Dead People Want to Tell YOU will give you a new understanding of the important people in your life who have passed on, and also will inspire you to live your life to the fullest while youÃ¢ „¢re still here in body on earth.Ã¢ •Ã¢ • Mike Robbins, author of Nothing Changes Until You Do Ã¢ “There are those we will meet lifetime after lifetime, and not birth nor death will truly

separate us. This book is your friend in the discovery of all that lies beneath and beyond.Ã¢ Ã•Ã¢ â • Katherine Fugate, screenwriter --This text refers to the Audio CD edition.

Ã¢ Ã“The dead want you to get that no matter where you are, everything is okay, getting better, and happening just as it Ã¢ Ëœshould,Ã¢ â„¢ in a steady progression that will forever take you higher. . . . They want you to know that even in their absence, however much you might miss them, the fact that you still live is exquisitely meaningful. It means that you still have places to go, friends to meet, and lessons to learn; that there can still be more smiles than frowns, more laughter than crying, and more joy than sadness, in a living, loving Universe thatÃ¢ â„¢s literally conspiring on your behalf.Ã¢ Ã•Ã --This text refers to the Audio CD edition.

Depending on which person you ask, death can be viewed as a terrifying inevitability or a peaceful denouement to a long and difficult journey. This book seeks to ameliorate your fears about the afterlife by consulting those who have already passed on. I have never read a book quite like this, and I'm sure that I'll never read a book like it again. It is an uplifting account of the peace found beyond the grave and how those who are no longer alive have the best advice for the living. I think it's easy to take life for granted, but this book really helps us put things into perspective. It's certainly helped me lead a more mindful and powerful life. I've complemented this book withÃ Manifestation MagicÃ by Alvin Huang and Chris D'Cruz. If Mike Dooley's book is an inspiration for leading a better life, then Manifestation Magic is the blueprint for how to do it. It talks about the important things we are all looking to achieve like wealth, health, happiness, and stability in our relationships. It gives you a clear, concise guideline for how to manifest positivity into your life. The principles outlined in the book can be practiced by literally anyone, and I have certainly used them to my advantage. As a 34 year-old single mother of 3, I have never been happier, healthier, and more in control of financial future. Having both these books in your library is a must if you ask me. I have benefitted greatly from the wisdom found in The Top Ten Things Dead People Want to Tell YOU and Manifestation Magic. I have taken control of my own destiny by harnessing the power of my brain and everything around me. I cannot tell you how impactful these books have been on my life. I have recommended these books to everyone I've come across, and I'll do the same for anyone reading this review.

This book contradicts many books published by Hay House and is very generic. Almost like a work of fiction which maybe it is and then it would make sense. We never learn the source of the

information being given and it tries to placate all possible readers. Shocking Hay House would put this out.

I love Mike Dooley but I was disappointed with this book. It didn't have much substance, just kept reiterating the same concept over and over again. He didn't explain things very well either. This book was just too 'out there' for me, and I am more confused now than I was to begin with.

This had some interesting personal opinions here and there, but overall this didn't really hook me in or make me remember it much after reading. I had picked this up as it seemed to have quite a number of positive reviews. It also seemed to have a heavy marketing push where I was always seeing it in front of me. And let's face it, the title is pretty power punching and hook grabbing, yet the content was a little all over the place and disjointed. The writing style was challenging for me to follow. The author doesn't discuss where he received the information for the book whether through research, study, or psychic mediumship. It came off as if he studied quite a bit of spiritual concepts and then incorporated how he felt about certain things surrounding it. The letters from the deceased were a little silly, but may give some comfort. Overall, this was okay, not bad, not great, or memorable, but you may enjoy it more than I did.

Did not like the book at all. It was nothing like a Ruth Montgomery or Edgar Casey book.

Mike Dooley is a speaker and author who specializes in topics surrounding the Law of Attraction. The Law of Attraction, in its simplest form, states that thoughts become things. He also believes in reincarnation, and this book is a collection regarding that premise. I have been a student of the Law of Attraction for years,, so, for me, it was really enjoyableIf you are a student of the Law of attraction, this book will appeal to you greatly.The book's delivery is appealing, fun and upbeat.If you do not ascribe to the Law of attraction, it might give you a grin, but beyond that, you won't enjoy it.If you're not sure, give it a try. You never know.. After all, thoughts do become things,, ;-I loved the book.. Perhaps you will too.

It's an understatement to say that this book changed my life and all of my views on death. I've always had so many questions, and while I wouldn't call this book my Bible per se, it put together so many of the pieces that religion couldn't give me. It's refreshing to hear the afterlife seen in such a positive light, without shame or loss. Thank you, Mike Dooley, so much.

I read a lot of books, but rarely am I moved to tears as I was with this wonderful book. I lost both an aunt and uncle to cancer in the past six months. This book most certainly soothed my soul and helped me find answers to questions that came up while witnessing my relatives' dying process. I also feel like I finally got confirmation on afterlife for my beloved fur baby who passed away 2 years ago. Even if you aren't experiencing any type of grief or loss, the wisdom contained in this book is phenomenal. I couldn't put the book down and want to read it a 2nd time!
