Death Of Innocence: Book 4 Of The Thrilling Post-Apocalyptic Survival Series: (Surviving The Fall Series - Book 4)

Synopsis

Rick Waters has barely escaped a week inside a cell at the Nellis Air Force Base with his life intact. Back on the road he faces a daunting journey filled with dangers that have yet to be realized. In Virginia, Dianne Waters and her children have prepared their home, gathered their supplies and are about to face an incoming storm the likes of which they have never seen. Even if they prevail the cost may be far greater than any of them realized. Surviving the Fall is a thrilling post-apocalyptic episodic series that focuses on Rick and Dianne Waters and how they each deal with the apocalypse. Stranded across the country away from his family, Rick must travel from California to Virginia to reunite with his wife and children, all while struggling to comprehend and deal with the horrors along the way. At home with her three children when she experiences the beginning of the end in a dramatic and deadly fashion, Dianne Waters has experience as a prepper and survivalist, but not even years of training and preparation have readied her for the darkness that comes with the end of the world. Now she must draw upon those skills to protect her loved ones and fight back against those who come against her and her family. Surviving the Fall will feature 14 episodic (25k-30k words in length) books that are full of action, suspense and drama as Rick and Dianne struggle to survive the end of days. Episodes will be published every 2-3 weeks.

Customer Reviews

I thoroughly enjoyed reading about Mark, desperately making his way cross country in the hope that his w Kimi female and children are safe. In the mean time, his wife, Dianne, and the children are in survival mode, trying t o fortify the home and make sure they remain save f e, as well as preparing for long term survival. All the while praying for the safe return of Mark. Another cantputdownable must read.

Thank you Mike for another exciting and well written book! My 8 year old son has shown an interest in what I'm always raving about so now he and I have started the final dawn series for our nighttime reading regimen!What's better than some post apocalyptic action before bed!

It just keeps getting better and better. Love author MIKE KRAUS. His characters show such depth and real personally. Storyline keeps you on the edge of your seat. Just holding my breath for next episode. Thanks.....

I am really enjoying this series, the story is great. The characters are really interesting and it's good to imagine how ordinary people would react to extraordinary events.

All of Mike's books are great. When one of his books comes out I stop reading whatever I'm reading and read his. Then when finish I go back to the other book.

Really enjoyed this series. Can't wait for the next book. Very easy to follow the story line. I will read more of his books.

Another good segment in this series. Both story lines progress. These books are too short though.

I am enjoying reading the series Surviving the Fall. The writer is very talented and through his writings he has you sitting on the edge of your seat just waiting for what will occur next. He has just the right balance between anxious for the next part and just enjoying watching the characters relaxing and enjoying themselves.
