Emotional Intelligence: How To Succeed By Mastering Your Emotions And Raising Your IQ

Synopsis

No matter where you are in your life, how old you are, or how many times you've messed up in the past, you have the power to change. With your courage, commitment, and conscious action, you will experience a new quality of life that conforms to your passion and purpose rather than trying to trick yourself into believing that your current circumstances are right for you. Ask yourself some questions: How am I feeling right now? What is the name or label of that emotion? (E.g., sadness, excitement, anxiety, etc.) What shade of that emotion am I feeling? (I.e., anger can range from frustrated and annoyed to infuriated and enraged). Where in my body do I experience that feeling? What triggered and continues to trigger this emotion? Download Emotional Intelligence: How to Succeed by Mastering Your Emotions and Raising Your IQ. You will learn: What emotional intelligence really is Why EQ determines a person's life success Top keys to developing your emotional intelligence Would you like to know more?
