# Delivering The Sermon: Voice, Body, And Animation In Proclamation (Elements Of Preaching) (Elements Of Preaching)

## **Synopsis**

Teresa L. Fry Brown here introduces preachers to the rationale and methods for effective use of voice and body in the animation of the word in the preaching moment. Suggestions and exercises for enhancing voice, diction and nonverbal engagement of the listener are included in each chapter. These exercises may be used with groups or for individual enhancement of sermon delivery. The six chapters range from rationale to the importance of delivery and embodiment of the preached word. Delivering the Sermon combines the latest research in communications, speech pathology, and homiletics with the author's own experience as a speech language pathologist to enable student preachers, established homiletics, and pastors alike to improve their effectiveness in preaching. The book is keyed to online sermon samples and other Web-based features such as sermon illustrations and art at [elementsofpreaching.com](http://elementsofpreaching.com).

## **Book Information**

Series: Elements of Preaching

Best Sellers Rank: #149,399 in Books (See Top 100 in Books) #121 in Books > Christian Books & Bibles > Ministry & Evangelism > Preaching #30371 in Books > Religion & Spirituality

## **Customer Reviews**

"Teresa Fry Brown's skills as a speech-language pathologist and homiletician converge here to provide a rich, brief, clear resource for preaching teachers and students." --Valerie Bridgeman, Memphis Theological Seminary

Teresa L. Fry Brown is Associate Professor of Homiletics at Candler School of Theology, Emory University, Atlanta. She is an ordained Itinerant Elder in the African Methodist Episcopal Church. She taught speech pathology and audiology classes and was director of clinical services at Central Missouri University.

This is a good resource for first year seminary students. I know the author and she practices what she preaches. I have had the opportunity to work under her leadership and I am glad she wrote these principles so I can refer back to them during my career as a pastor.

Used for my Seminary studies. Great resource.

Basic common concepts sprinkled with tidbits of truth you never thought of.

Brown did a great job writing an easy to read, easy to understand, and easy to apply book to help both novel and veteran preachers. Reminding the reader constantly that the proclamation of God's word although varied must be catered with consistency and conviction.

Excellent book! Enjoyable and informative read. The author had great examples from her classroom instruction. Tangible things that I can implement in my sermon delivery.

This is a decent "How-To" book on preaching a sermon. I appreciate the fact that Fry Brown includes some warm-up exercises for the speaking aspects of the sermon. Would like to see more of those included.

## VERY MUCH ON POINT

Too dense and difficult to read for me. The material may be there, but it's too much work to access it.
