Frommer's Shortcut Andalucia (Shortcut Guide)

Synopsis

In a small-format paperback, Shortcut Guides supply the single most essential facts about a popular destination, all at a remarkably-low price, and yet for a heavily-illustrated book with maps. And because they are written by top experts who know what the tourist needs, they can serve either as your sole guidebook or as a fast-consulted supplement to a lengthier one. The heavily-visited, pleasure-filled Andalucia is the southernmost region of Spain, on both the Mediterranean and the Atlantic, covered with beaches and sunshine, with history and flamenco, resorts and fine dining. This Shortcut Guide will instantly transport the reader to the pleasures of Seville, Granada, Cordoba and more.
