Living Waters: Aquatic Preserves Of Florida

Clyde Butcher

Living Waters ~ Aquatic Preserves of Florida

Synopsis

Within these pages, Clyde Butcher celebrates Florida's aquatic preserves, capturing magical moments through his breathtaking photographs. His interest and respect for Florida's natural environment is genuine. Mr. Butcher's photographs will inspire you and touch your curiosity and concern for the wonders of Florida's aquatic preserves—our living waters. Water runs through, around, and under Florida, creating its varied landscapes and biological diversity. Mr. Butcher's photographs remind us that this natural heritage is entrusted to us to maintain for future generations to enjoy and appreciate.

—from the foreword by David B. Struhs, Florida Department of Environmental Protection

Clyde Butcher's images are captured with an 8" X 10", 11" X 14", or 12" X 20" view camera. The large-format camera allows him to express in elaborate detail the textures that distinguish the exquisite beauty of the landscape. The book is the companion to the upcoming PBS documentary, "Living Waters: Aquatic Preserves of Florida."

“Florida’s natural beauty is often most evident in its aquatic preserves. They are Florida’s natural watery Edens • home to freshwater springs, seagrass meadows, and mangrove forests that provide food and habitat. Florida’s aquatic preserves truly are living waters. Within these pages, Clyde Butcher celebrates Florida’s aquatic preserves, capturing magical moments through his breathtaking photographs. His interest and respect for Florida’s natural environment is genuine. Mr. Butcher’s photographs will inspire you and touch your curiosity and concern for the wonders of Florida’s aquatic preserves • our living waters. Water runs through, around, and under Florida, creating its varied landscapes and biological diversity. Mr. Butcher’s photographs remind us that this natural heritage is entrusted to us to maintain for future generations to enjoy and appreciate.” • from the foreword by David B. Struhs, Florida Department of Environmental Protection

Clyde Butcher’s images are captured with an 8” X 10”, 11” X 14”, or 12” X 20” view camera. The large-format camera allows him to express in elaborate detail the textures that distinguish the exquisite beauty of the landscape. The book is the companion to the upcoming PBS documentary, “Living Waters: Aquatic Preserves of Florida.”

Mr. Butcher is a wonderful artist! The way he captures the beauty of the aquatic preserves is amazing. It was advertised as a signed copy and it was but it was to Bob from Clyde! It was a gift to a friend and she found it amusing!!!

Not supremely high quality reproductions here but you have to like any books on Butcher. His work really should be in some extra large quality paper/limited edition publication but what can you do? I know --get anything that's out there on him.

Beautiful Book and delivery was unexpectedly fast.
