Customer Reviews

Elaine Landau is the author of several nonfiction books for children.

I am pleased with my purchase

Really good reading book, beautiful images. My children love this book. I highly recommend this book to four to five year olds.

This book is full of great information and facts. It was easy for my 2nd grader to read and was very useful for his heritage report.

very happy with the book. easy for the children to understand. I use it in my day care for All Around the World.

It was okay. Didn't have all the info for our third grade report though. And not a lot of images.
