The Wealthy Physician - Canadian Edition: Learn The Truth About How Medical Practitioners Should Protect & Grow Wealth

Synopsis

The Wealthy Physician - Canadian Edition is an informative and exciting new book for the physician and all other professionals. This book attempts to pinpoint the very reasons many Canadians end up somewhere else other than where they intended and fail miserably after years of planning for their financial future and retirement. Finally, you have a one stop guide to help make complex financial decisions easier to understand! In introducing the merits of permanent whole life insurance as a financial tool, not your typical life insurance product, The Wealthy Physician - Canadian Edition is a must read for all Canadians. This book will leave you with a better grasp of investing, whole life insurance, the Infinite Banking Concept, and the steps to take control of your financial future. Discover a new approach to an established product with a history of proven long term results and guarantees built in around the safety and growth of your money. Owning permanent whole life insurance is easy and does not require the constant attention needed around investing in the market. A Whole Life Insurance Policy will provide you a proven financial tool that is built upon a GUARANTEED level cost of insurance for life, a GUARANTEED insurance coverage for life, a GUARANTEED safety of your savings, and a GUARANTEED access to your growing cash values during your lifetime. No other book exists in Canada that addresses the topic of investing, Whole Life Insurance, and the Infinite Banking Concept so simply and accurately for the specifics of our Canadian market.

Customer Reviews

Chase Chandler in "The Wealthy Physician" presents the truth in a concise way by identifying challenges and providing a solution to Financial Freedom. Douglas Guest and Antoine Rempp have successfully made this information relevant to Canadian Investors. I highly endorse it as a light in the darkness, for Physicians and all Professionals who are disillusioned with their current wealth accumulation Strategy. This book is one of the best I have come across that provides us with an alternative to the status quo.
