

The book was found

Eminent Churchillians

Synopsis

A bestseller that's causing a scandal in Britain, this defiantly revisionist history of the Churchillian era paints a new and often uncomfortable portrait of those who, once they were certain Winston Churchill was in the ascendant, hitched themselves to his star. 8 pages of photos.

Customer Reviews

Andrew Roberts took a first in Modern History at Cambridge. He has been a professional historian since the publication of his life of Lord Halifax , The Holy Fox, in 1991, followed by Eminent Churchillians in 1994 . He contributes regularly to the Sunday Telegraph. Lives in Knightsbridge, London, and has two children. His Salisbury won the Wolfson History Prize in 2000. His books include Napoleon and Wellington in 2001, Hitler and Churchill (based on BBC-2 series) in 2003. What Might Have Been (editor) in 2004. His History of the English Speaking Peoples Since 1900 was published in 2006 and won the Walter Bagehot Prize . --This text refers to an out of print or unavailable edition of this title.

Andrew Roberts is a superb historian, whose work I enjoy. This book is a good picture of people who were contemporaries of Churchill, not just his colleagues and friends. Very enjoyable addition to my own library of books concerning Winston Churchill, and I would recommend to anyone interested in British history.

Andrew Roberts is a very fine historian and this book is an excellent example of both his diligent research and his lively writing style. Essentially the book looks at the careers of various political and academic figures prominent in the British Establishment from the 1940's until the 1970's. The attack on Lord Louis Mountbatten's record is sustained and ferocious. Walter Monckton's reputation as a great bringer of industrial peace is shown to be symptomatic of Britain's later union unrest. The 1950's Conservative government's confusion over non-white immigration into the UK is laid bare. These are just some examples of the territory covered in this very readable book.

Research is top class. Additionally the author shows no bias for the British when he describes Lord Mountbatten's period in India.

Received as promised! Great book!
