Ireland, called the "Green Island", is the home of Guinness, ancient Celts, St. Patrick and numerous medieval castles. On its east coast situated Dublin, the capital of which the name Dubh Linn named, the old Vikings, meaning 'black pool', although he says the name of the Irish Baile Atha Cliath. In this guide you will find all the most important places that you should not be missed, if you are visiting this interesting city. Several years ago, I was in Dublin for a short time, and now I'm planning to go, but as real tourist. This book has refreshed memories of this city, but also provided very useful information. Thanks to author!

This guide book is useless. It consists of a list of 101 things with a short paragraph for each. But, the information given isn't useful. For example, #13 is to Catch a Live Show at the Dublin Fringe festival. For time frame it just says it is every September (doesn't say exactly when).. It doesn't give any information as to where it is, how much it costs, etc. We are going to be in Dublin next Spring so I wanted to be sure and see the highlights. It isn't very helpful to read about all the things happening at other times of the year.

Amazing book that will help one to discover how to travel on a budget, make the most of the adventure, share awesome travel technology hacks, and even learn to make money and travel at the same time. This book also will guide anyone who loves the beautiful country Dublin, Ireland. Where you will experience the best ever St. Patrick's day, Relax at their highest waterfall, take in a live rugby match, visit a 5000 year old burial tomb, and learn about the history of Guinness.

A bit of a waste; no addresses provided for pubs, etc. Too many festival type listings that are not available year-round. Seems to forget that Ireland is not part of Britain and panders to some offensive stereotypes.

Awesome travel book! This book gives a very helpful and useful information about Dublin. I am not familiar with Dublin, but by just reading this book it for sure it will make your visit in the place to be

easy. Highly recommended for those who will visit the place. So much worth recommending!
