Yemen is a country located on the southwest edge of Arabian Peninsula. It is a typical Arabian Muslim country with very old history and is one of the background stages of famous fantastic novel Arabian Nights. Also it has Myth of Sheba Queen and related Ruins. Yemen is a mysterious country with quite unique traditional culture raised by dry and harsh environment. Old city of capital Sana'a is called 'existing oldest alive city' and its atmosphere is totally medieval. Their distinctive culture and the way of life based on the tribal society are shockingly amazing to us, as they are too far and different from the ones we had been accustomed and familiarized through our lives. This book contains 360 photographs, which were all taken in 1991 to 94.
