# Baseball In Hot Springs (Images Of Baseball)

## **Synopsis**

Hot Springs, Arkansas, with its thermal water baths, attracted its first big-league outfit when the National League champion Chicago White Stockings traveled south for spring training in 1886. The baseball colony grew as dozens of other clubs followed. Individual players flocked here as well to hike, golf, and boil out in bathhouse steam cabinets prior to leaving for training camps elsewhere. Nearly half of Cooperstowns Hall of Famers made the pilgrimage to this baseball mecca. Major- and minor-league aggregations, legendary teams, players of the Negro Leagues, and baseball schools for budding players and umpires all come to bat in *Images of Sports: Baseball in Hot Springs*.

Author Mark Blaeuer, originally from southern Illinois, earned his MA from the University of Arkansas. He moved to Hot Springs in 1989 as a ranger for the National Park Service. He is a member of the Society for American Baseball Research and the Garland County Historical Society.

I would have to say I am biased because at the very end was a picture of my grandfather and father. Nice book showing many of the starts that visited in Hot Springs. Never knew some teams did their spring training there. Likewise, it was interesting discovering the many camps that were held for aspiring baseball players.

Great book about spring training in Hot Springs, AR.
