Caring Enough To Forgive: True Forgiveness

Synopsis

It sees the real focus of forgiving not in individualistic release from guilt and proof of goodness, but in inter-personal reconciliation, wholeness and life together in Christian community.

Book Information

Paperback: 172 pages

Publisher: Regal Books; As stated, 3rd printing dated 1982 edition (August 1981)

Language: English

ISBN-10: 0830707492

ISBN-13: 978-0830707492

Product Dimensions: 8 x 5.2 x 0.6 inches

Shipping Weight: 7.2 ounces

Customer Reviews

The advice inside is invaluable for couples and other people searching for common ground. The biblical references are helpful, but not required to get a sense of the skills one needs to acquire to become a better communicator. The three books used together ("Caring Enough to CONFRONT, FORGIVE, AND HEAR" respectively, help you to know yourself and through that knowledge, reach out across the void to really know your partner and interact with your friends and colleagues in a healthy way. Sometimes the it feels repetitive as the examples and diagrams are reiterations of the text, but I suppose this help to reinforce the material. This book should really be called Caring enough NOT to forgive, so insightful.

This book is awesome. It also explores how to forgive without restoring community or a cycle of repeated abuse.

I purchased this book after reading a later book by Dr. Augsberger on the same subject. It's easy to see how the author has gone into deeper waters and has come out with a deeper understanding and he shares that with his readers. It is helpful for me as I compile lessons and teach on the very

deep subject of forgiveness. It is a good starting point for anyone wanting clarity on the subject.

This is a classic book on forgiveness--practical and realistic, not demanding a glib forgiveness that is impossible for major hurts that have been inflicted. Half of the book is Caring Enough to Forgive. If you turn the book over, the title is CARING ENOUGH NOT TO FORGIVE. that part is what I love best.

The book is a little 'heavy'. Takes time to absorb his ideas. The opposite side of the book, "Caring Enough Not to Forgive" is even harder to absorb quickly. Not a book to read in snatches.

Great book but ouch you are faced with those things you have put off for so long. I have recommended and give this away as gifts to other hurting folks . It is well done and written in a gentel but direct way. It's intent is to feel the hurt but Ouch!

Awesome !

Caring Enough to Forgive/Caring Enough to Not Forgive. Here is an awesome, AWESOME Christian based, and very biblically sound book that EVERY Christian should read. It pointedly defines the differences between genuine and false forgiveness, and demonstrates how to forgive effectively, without causing or denying further hurt or resentment, and without "cooling" the relationship. A MUST PURCHASE FOR ANY CHIRSTIAN SEEKING TO HAVE POSITIVE, PEACEFUL, HEALTHY, FLOWING RELATIONSHIPS WITH OTHERS.
