Product Dimensions: 10 x 0.9 x 10.2 inches

Shipping Weight: 2.4 pounds

Average Customer Review: 2.0 out of 5 stars 1 customer review

Best Sellers Rank: #2,632,077 in Books (See Top 100 in Books) #53 in [Books > Travel > United States > Wyoming > General](#) #735 in [Books > Travel > Specialty Travel > Travel with Pets](#) #2062 in [Books > Travel > Food, Lodging & Transportation > Parks & Campgrounds](#)

Customer Reviews

Yellowstone National Park occupies a unique place in our national consciousness. In 1872 Congress dedicated this dramatic landscape of geysers and hot springs "as a public park or pleasuring ground for the benefit and enjoyment of the people," thus creating the world's first national park. Yellowstone's history has always been as much about this "benefit and enjoyment" as about preservation, to which this handsome book is a testament. An assemblage of historic photographs timed to coincide with the park's 125th anniversary, these black-and-white images of early tourism beautifully illustrate the unique pull the park has always exerted over the American imagination.

... the collection ... which includes striking images of early crowds, now-forbidden pastimes like bear feeding, and the legendary rangers, offers a comprehensive look at the intensity of human activity in the park almost from the day of its creation. -- The New York Times Book Review, Michael Parfit

Black and white pictures of yellowstone... I would have preferred color. I judged a book by it's cover, but at least I didn't pay much.
