PreSchool-Grade 3-Spanish version of John Steptoe's Mufaro's Beautiful Daughters. Copyright 1998 Reed Business Information, Inc. --This text refers to the Paperback edition.

Mufaro tiene dos bellas hijas. Nyasha es amable y considerada, pero Manyara es egoista y consentida. Cuando el rey decide buscar esposa entre "Las hijas mas dignas y bellas del reino," Manyara decide que ella sera la elegida. Esta fabula clasica es tambien un viaje fantastico a Zimbabwe, con todo el esplendor y belleza que nos brinda esta antigu tierra. --This text refers to the Paperback edition.

Another beautiful book, a childhood favorite of my daughter who is now a teacher herself. I am building my private library with known winners to entice my Spanish students to read "real" books.

This is a wonderful story with lots of discussion points for my fourth grade class. There are layers of meaning and theme to talk about, for example.

My daughter read this book with ease. Her first language is English but school requires that she read in Spanish. She was able to read and understand the story. We are African American and the story is about an African family, that was a plus.
