I'm from Barcelona and always recommend this guide . Very well updated. The size is perfect and have a very convenient extra map inside. The information is great and give you always good tips. Well done !

enough info for you to stay a week

thanks

Not an easy guide to follow. It jumps around and eliminates many priority. Sites, hotels and other features. In my opinion it was a waste of money. The regular Fodors would have been much better or the Rick Steeves guide.
