Focus On Grammar 3 (4th Edition)

Synopsis

Focus on Grammar, in its new fourth edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication – blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. • Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. • New features include: • Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. Fully redesigned grammar charts and notes that provide greater clarity. Explicit pronunciation activities to improve fluency and accuracy. Expanded listening tasks allow students to develop a range of listening skills. Flexible, ongoing assessment – including unit reviews, diagnostic and achievement tests, and test-generating software – allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack)

It is Ok for me to study as school requirement

I had to erase all the writings. The books are clean but for that price I expected the book to come with no writing in them.

good

very good book

Excellent price! I love to buy books at , they have cheap prices for students! The book is wonderful, I learned a lot from grammar!

As I expected. New and good conditions.Thanks.

I bought this book and it hasn't online code. I'm going to give it back

Good
