ISBN-13: 978-1555467555

Product Dimensions: 10 x 7.6 x 0.5 inches

Shipping Weight: 14.4 ounces

Average Customer Review: 4.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #3,877,284 in Books (See Top 100 in Books) #100 in [Books > Teens > Art, Music & Photography > Art > Fashion](#) #103 in [Books > Teens > Art, Music & Photography > Art > History](#) #524 in [Books > Children's Books > Arts, Music & Photography > Art > Fashion](#)

Customer Reviews

Very good reference book. Easy to understand and edited with enough detail to get the point but not so much, you become overwhelmed. If you're looking for a pretty fast overview of certain periods, this is a good place to start although not a comprehensive guide. Should be used in conjunction with other reference books!

This is a really good costume book. It has detailed pictures, information on hair styles, shoes, clothes and accessories from Ancient Greece up through the 20th century. It also explains which styles came and went at which time during the era, and sometimes tells why. It also has a good description of the items it focuses on. But it focuses mainly on the 1200s-1800s, almost totally ignoring the romans, saxons, normans, and lacking in the greek, and the 20th century. Really in the 1900s it only goes up to the 1950s and disregards alot of casual dress. It only covers civilizations in the European and US area, not including the American Indians or the US colonists. I would suggest this book for anyone that needs information on men's costume during the medieval ages or the 1800s in Europe.
