Amish Country Tours (Amish Country Tours, Amish Romance Series (An Amish Of Lancaster County Saga) Book 1)

Synopsis

NEW RELEASE - THIS IS NOT A TOUR GUIDE - IT'S A MUST READ FOR AMISH ROMANCE LOVERS! When Amish widow, Sarah Hershberger, takes the desperate step to save herself and her family from financial ruin by opening her home to Englisch tourists, will her simple decision threaten the very foundation of the community she loves? When Amish widow, Sarah Hershberger, takes the desperate step to save herself and her family from financial ruin by opening her home to Englisch tourists, Sarah faces the censure of community leaders as she struggles to balance home, faith, and the intrusion of the outside world. But when John Lapp, a neighboring widower, steps in to help Sarah shoulder her duties, is Sarah strong enough to accept his help? And will opposition to her decision lead the rest of her community to return to an older, more repressive version of their Ordnung? Find out in Amish Country Tours, Book 1 of the Amish Country Tours series. If you LOVE Amish Romance Novels (and know you are NOT getting a tour guide), Scroll Up and GRAB YOUR COPY NOW!

4.5 Stars: I haven't read Amish stuff for a while, so I grabbed this one by a tried and true author. I gotta tell you, I loved how tough Sarah was while finding a way to stay respectful to her community's values and faith. That kind of thing really gets me, you know? The romance was super sweet, too! I was a little annoyed by the garbled formatting in Chapter 8, but it looked like it was just a list that Sarah was writing. It was kind of confusing at first, but it didn't really matter to the story, so I just skipped it. But then the author e-mailed me (I'm on her mailing list, which hubs finds hilarious) and explained she'd fixed that, so I can't hold it against her. She even offered me a free copy with the corrected formatting. So if you're looking to support a great author who's a pretty great person, too, here you go!

I just love this book. This book shows how an organized mother raises five children as a single Mom, with each child being happy and helpful, doing their chores without complaining. Because she is organized but mostly because she is kind and Loving. Of course this book teaches how faith in God is an important part in making our lives joyful, peaceful and comfortable. This story is not without a lovely romance.

Was not happy as did not realize I must buy another book to get on with story.. Also it jumped from person to person thinking without a chapter change etc. Confusing.Now how to find the next book...

I don't know if I can put into words how much I loved reading this book! God is so good! Sarah Fisher is a mother of five wonderful children! She has her mamm to help her since her husband died. John Troyer also lost his wife. God brings them together and I can just feel the love sprouting up! I love the author's way of writing! Looking forward to reading the next one! Amazing !!!!!!!!

These are wonderful stories offering some knowledge of the Amish communities. I wonder if they ever thought of Amish Camp?

A family who has lost a lot with passing of thier husband and dad but still have fun and are able to gradually find new love.

It was an entertaining book. I was sad for the story to end. It was about Amish widow and her five children and her mother struggling to keep their farm after husband died. She has also met a single man who is interested in her and her family. She turns to God when she need help making wise choices and sees how being faithful to God leads her friends to help her when it is needed.

I thoroughly enjoyed this book. I couldn't put it down. I enjoyed reading the way the Lord answered their prayers during their hard times and saw to their needs. I enjoyed reading how they were able to find love again after losing their spouses. I can't wait for the next book to find out how the deacon is going to try to cause problems and what they will overcome his interference.
