Customer Reviews

Great little ebook! It contains the patterns for each project, plus photos illustrating the crochet stitches, as well as the finished projects. I have the Kindle ereader software on my Nextbook and

the book downloaded perfectly with no problems whatsoever. Darling little animals! I'm new to Amigurumi and I can't wait to make these!

Animal friends are really cute, fun and easy to work up in no time. By changing colors, you will be able to make a friend for a friend in their favorite color.

I have only made the puppy and before I had the ears put on my youngest Granddaughter snatched it off my table!

These patterns easy to follow. Quick and easy to make, they are also fun to make. They are so cute!

Wonderful!

great to do this with a 10 years old

Excellent, easy and fun for children to play with.
