Customer Reviews

1/3 of the stickers were missing. What a rip off. Could have purchased new for \$4.95 and less postage.

These stickers are 1 of a kind and a good value. I wish there were less flowers and baskets and more of ladies and childrens faces though. What I disliked ... messages printed on some of the stickers (for my sweetheart etc) limit who you can send to. What I'm going to do ... wrap gifts with brown grocery bags or tissue paper and decorate with these vivid stickers. A terrific value considering some of the butt ugly stickers I've seen at Michaels/Beverly/Hallmark

Very lovely stickers to use for my Victorian bridal tea invitations and bridal shower game pieces. Came early in plenty of time for me to put everything together. Thank you for your great service and attention!

I made my own Valentines for friends and family this year, these stickers were used on the

envelopes! Just loved them, the quality was great and they were beautiful!

I had these stickers as a child, when I was enamored by the Victorian American Girl doll, Samantha. I loved history and anything to do with the Victorian times was enchanting! I have very fond memories of these, and would love to purchase them for my own daughter!
