Handspinning Journal: My Own Yarn Library (Spinndagbok) (Volume 1)

Synopsis

This book is intended as an index helper for handspinners who want to keep track of their own handspinning outcome. By filling in the blanks, the spinner now has a written form of their own work progress and can easily go back and forth to compare previous projects and thus have a personal development progress journal or simply just being able to go back to yarn projects that has been successful, in case of wanting to spin a similar yarn either for them selves or for others (commercial). By attaching yarn samples and writing down individual dye recipes it's easy to either go back to a successful dyeing result or try to develop a recipe further.
