~Kiki Lowenstein And The Lucky Charm" -- A Kiki Lowenstein Short Story (A Kiki Lowenstein Scrap-N-Craft Mystery Book 4)

Synopsis

“Kiki Lowenstein and the Lucky Charm” A Kiki Lowenstein Short Story Hoping to top her own success with holiday crops, Kiki dreams up a St. Patrick’s Day event that’s a real charmer. Except that between a visit from her Aunt Penney and a series of local thefts, things don’t go exactly as planned. It’s going to take more than a rabbit’s foot to get Kiki out of this tense situation! This short story comes with three recipes, three craft projects, and a Zentangle string and three bonus excerpts

Customer Reviews

Where can you get a great cozy with recipes, instructions for a new craft, cops and robbers and a pajama party? Only in a Kiki Lowenstein book. This short story didn’t leave out any elements for a cozy, plus it has a lot of new additions. I was sorry to get to the end. Kiki may be addicted to Lucky Charms but I am addicted to Kiki Lowenstein!

A fun scrap booking cozy mystery. Kiki works at a scrap booking store and is in on the planning of a St. Paddy's Day event, but the group is surprised by a robber....who is then surprised by Kiki and Penney.

Another fast and short scrap booking short story with all the regulars. Fast paced and interesting with stolen coins and Kiki's Aunt Penney to liven things.

I really enjoy reading the Kiki stories, and always look forward to more. This wasn't my favorite one, but I still enjoyed it and cannot wait for more.

Kiki and friends plan a St. Patrick's Day Crop which includes a birthday cake for Kiki's Aunt Penney. Aunt Penney is a great addition to Kiki's crew. Of course there is a little drama. There have been thefts at the local mall and the thief ends up at the crop. Fortunately for the croppers and very unfortunate for the thief Aunt Penney is there. I really liked this story and can't wait for the next one.

As delightful as ever, Joanna Slan takes us into the earlier days of Kiki's life at the store presenting that same humor and heart of her full novels. Although this is a novella, like most of her shorter works, there is nothing missing in the feel of the mystery.

You just can not miss reading the Kiki Lowenstein series. Every book holds your interest! MYSELF I have a hard time putting the book aside to do house work etc.

The book was interesting. I like the craft directions. I will have to try some of them. I really liked the main character. Very well developed.
