CHARLES C. RYRIE (A.B., Haverford College; Th.M. and Th.D., Dallas Theological Seminary; Ph.D., University of Edinburgh; Litt.D., Liberty Baptist Theological Seminary) was a renowned author and scholar. He wrote numerous books, including The Ryrie Study Bible, Basic Theology, Balancing the Christian Life, The Holy Spirit, Dispensationalism Today, Revelation, Survey of Bible Doctrine, and So Great Salvation, which rank among his best-selling titles.

Perhaps this little book has had more influence on my thinking over the past couple of decades than many many others by various authors. This is not your academic in depth systematic theology book like Grudem's massive work but is a simple, quick, reference guide to lead you to more in depth

discovery of theological truth. Since my seminary days I have had tools that would always explain and provide various ways to dissect the word of God but this survey book gives you a quick, easy, concise overview with scriptural references. I would highly recommend this book, in fact I have given copies to both of my sons.Ã A Survey of Bible DoctrineÃ A If you want an expanded version then take a look at Ryrie's Basic Theology.Ã A Basic Theology: A Popular Systematic Guide to Understanding Biblical TruthÃ A One other book that I have used and would recommend is Thiessen's Lectures in Theology.Ã A Lectures in Systematic Theology

Concise and to the point

A great book to answer those eternal questions.

Ryrie has been one of my favofite theologians all my life. This book is a survey version of his larger Basic Theology. It makes a great study guide for Bible study or Sunday School Class. If you like his Study Bible, you'll like this book.

I studied under Dr. Ryrie at Dallas Theological Seminary, and I have taught Theology myself, at the college level (this book was a required text for my students). It remains one of the most concise and accurate explanations of Bible Doctrine (Theology) of which I am aware. I will prove invaluable for both the "layman" as well as advanced Bible students.

Great job by Dr. Ryrie.

Great presentation of Bible doctrine.
