Customer Reviews

Text: English, Latin, Greek (translation)

William G. Rusch, a Lutheran pastor, is professor of Lutheran studies at Yale Divinity School and professor of church history at New York Theological Seminary.

Good collection of important primary texts of the church's history, but don't look here for anything further than that.

Give a bunch of Christians thinkers of this era, trying to argue for the trinity or against, not most detail, but it give you taste of the time. I think it worth your time to read. It is not that long and if your into theology it is fun read.

If you are looking for a collection of letters surrounding the Trinitarian Controversy from circa the 4th century, then this is the book for you. If you are looking for an exposition on the topic, then this is not the book for you.

A

I had to use this for a class and enjoyed it! Worth a read if you are looking for this topic!

If you are interested in digging deeper in this sort of information then this book is for you. It gives you the history along with the letters of exchanges between parties. It serves a powerful witness.

Book fell apart

This is a "must-have" book! This book helps lay out the Trinitarian concept in a way that is easy for one to understand.
