STOLEN: A Dark Bad Boy Baby Romance (The Vanguard MC)

Synopsis

I STOLE HIS BRIDE AND PUT MY BABY INSIDE OF HER. Wyland West should've learned a long time ago: Do. Not. F*ck. With. Me. But he stuck his nose where he didn't belong, and now he'll pay with his most valuable possession: his fiancée. I'm going to break her. Mold her. And make her scream my name. The new District Attorney, Wyland West, is a spiteful S.O.B. He's got a hard-on for stomping out people like me. Rebels. Bikers. Bad boys. He wants to clean the streets, whatever the hell that means. But what he doesn't know is that he doesn't run this city. I do. And I'm not about to let a bastard like him take over without a fight. He wants to f*ck with me? Fine. I'm going to f*ck him right back. Starting with what he holds most dear. His beautiful bride. She's gorgeous, alright, but by the time I'm through with her, she'll be a naked, broken mess. By the time I'm done, she'll be addicted to my c*ck. Dependent on my lips. Hungry and desperate for one more taste of my seed. But Wyland is more stubborn than I thought. He's trying to burn my world to the ground unless I give her back. Do your worst, you son of a b*tch. Once I stole her, she became mine forever. STOLEN is a dark bad boy baby HEIST romance with hot sex, no cheating, and a HEA ending. Includes additional bonus content as a thank you to my readers.

Customer Reviews

I loved reading about biker club. I loved how good girl meet biker boy and fight the attraction to each other.

Name change from Slash to Cutter, grammar errors, poor editing. Seemed like it was written by a young adult. Very disappointing. Could not finish it even though I tried.

Had high hopes for this bad boy baby romance . However, It's not a baby romance book if it's one line in the epilogue.

One of the best books I have read this year! I loved Cutter. Cutter was President of the Vanguard MC, and Master chef for Farm to Fable local diner. The diner was run by the MC. Liona was engaged to Wylund West who was assistant DA. Liona, Whylund, and Cutter go way back to high school. The three were always together until Wylund and Liona became a couple. Wylund's family had money which appealed to Liona. Whylund was abusive and beat Liona on a daily basis. The day of the wedding, she climbed out the window of the church and ran. Cutter was invited to the wedding and saw a girl in a wedding dress running down the road. He pulled over and it was Liona, and she asked him for his help. Cutter took her to the Vanguard MC house and hid her away, and promised to protect her. This book has more twists and turns, surprises, and hot steamy sex, than any book I have ever read. The ending was absolutely amazing! Wish I could give this book ten stars! I voluntarily reviewed an ARC of this book.

I received an Arc copy in exchange for an honest review Naomi West has quickly become one of my favorite authors her writing just keeps getting better and better. I say this after reading all of her books this one is my favorite and then the next one comes out and I'm like no this is and its just an endless cycle of which book is truly my favorite but this hands down is the one I have loved and Enjoyed the most! I absolutely loved Cutter who is the president of Vanguard Mc and who also owns the diner (Farm to fabel) I want a guy like him. The book is so good that the only time you want to put it down is when you finish it . Its a fast read and I would definitely tell everyone and anyone they should read this book they won't be disappointed.

I voluntarily reviewed an Advance Reader Copy of this book. I really enjoyed this book. It is now the third book I've read by Ms. West and I'm really glad to have found her books. They hook you from the beginning and keep you hooked through the entire book. This one in particular was really good in that way. Cutter, the big, bad president of the Vanguard MC, also owns and is the head chef of Farm to Fable, a diner that uses all organic and mostly local foods. I thought that was really clever. There are definitely twists and turns throughout the book and a lot of obstacles that Liona has to overcome. In the end, with Cutters help and love, she is able to be free from her past.

Naomi is definitely one of my favorite writers. She has a way to make any story different but oh so good. This storyline was a bit different from other MC books. I think that made it much more entertaining. The book has a nice flow and will keep you interested until the end. Because of this it makes the book a little bit of a quicker read. Not to mention the characters are well developed and the chemistry between them is smokin. You will easily fall in love with them for they have these personalities that you can't help but to fall in love with. This book has so much to offer and is an enjoyable read. I voluntarily reviewed an advanced copy of this book.

Cutter is president of Vanagraud MC Club plus he's head chef for Farm to Fable. The new assistant DA is going after his guys. Liona is getting married to an abusive guy named Wayland who is also the assistant DA. They all went to school together, Lions runs away from her wedding she runs into Cutter but Wayland wants her back. I voluntarily reviewed an Advanced Reader Copy of this book.
