Time Of The Celts: A Time Travel Romance (Hadrian's Wall Book 1)

Synopsis

Jaelle was furious at John. He'd left her for another woman. He'd also left all this junk behind. Wait, this helmet was interesting. Was it Roman? She had to try it on. Whoa, dizzy. Huh? Was this a cleverly disguised virtual reality headset? Because that looked like Hadrian's Wall. And the Romans on the other side didn't look friendly.

Customer Reviews

A wonderful time travel romance. Ms. Stain does not let the reader down with another awesome story. Great plot, great characters. There's action, suspense, adventure and romance. I loved this book and look forward to the next one. Brava Ms. Stain.

I deleted this from my Kindle about 33% through because I just couldn't make myself read anymore! Maybe this works for adolescents but as far as I am concerned, this is a terrible book! Don't waste your money.

Absolutely enjoyed this book and waiting for the next volume.

waiting for the next book....

Great story. Too many typos--drove this grammar Nazi nuts! I'm going to read the next one in the series. She's a good writer who needs a good editor.

Excellent

Jane Stain never fails to please, always leaves one wanting more!

I couldn't get into this book
