Farmer Paul And The Gospel Seed (Farmer Paul Books) (Volume 1)

Synopsis

Farmer Paul and the Gospel Seed uses the love of farming to explain the love of God. Children are taught the Biblical truth that the Apostle Paul had to learn, that no matter how hard you work, you cannot please God. We please God by believing the Gospel of Jesus Christ. Believing in Christ is like a seed that is planted in your heart and grows into good things, such as love, joy, and eternal life.

Customer Reviews

There are so many books out there that are mainly for girls and I was so excited to see this well written and illustrated book that I bought for my 3 grandsons and my 1 granddaughter. Phil takes the gospel story and brings it to a level that children are drawn into with a very important lesson. Kerri illustrates in a way that will capture young children. Children love pictures! Well done!

What a great book! The kiddos just love it!

Cute story

Great book for young children! I highly recommend it as a way to teach little ones the importance of sharing their own love of Jesus. The illustrations are endearing, kids will love Farmer Paul.
