Synopsis

The biggest comic series of the year continues! What was the "lipstick incident" that pushed Archie and Betty apart? And can the smartest boy in Riverdale fix it? Customer Reviews

My kid loves these.

THAT was the #LipstickIncident?! I'm a little disappointed, but overall the story is progressing nicely. I always feel so sorry for Betty--she's constantly getting the short end of the stick. Still, I love how the story is building, the characters and their personalities are intact, and although I preferred the art from the first couple of issues it's still nice. Good read!

Always Ben an Archie fan and still love them. The illustrations make it a joy to read. I will definitely purchase more volumes

Mark Waid is my favorite comic book writer! His take on Archie is wonderfully true to the characters while being modern and pertinent. I've been reading Archie since the 70s and this is awesome stuff! Go read it!

A great reboot that make the Archie characters fresh for today's reader.
