Customer Reviews

Jennie Shapter is a highly regarded food writer and home economist. Among her many books are Perfect Patisserie; Cooking in a Halogen Oven; and The One-Pot, Clay Pot Cookbook.

I absolutely love this recipe book. I don't use it with my bread machine anymore. I either make by hand or use my kenwood mixer. I regularly use the pizza recipes as they are devine.

This book is SOOO good! The recipes are delicious and turn out great everytime. I highly recommend it. I use it almost daily.
