Lectures To My Students

Synopsis

One contemporary scholar and authority on Spurgeon says of this work: "Next to Mr. Spurgeon's great literary work, *The Treasury of David*, we consider (these) *Lectures to My Students* his greatest single contribution to the Christian world. There is more practical wisdom, common sense and sage advice packed within these pages than with any other book of similar size, or content." This complete and unabridged edition of Spurgeon's great work will make it possible for today's generation to appreciate Spurgeon's combination of discerning wit and refreshingly practical advice. Included in the twenty-eight chapters of this classic volume are lectures such as: *The Call to Ministry* *The Preacher's Private Prayer* *On the Choice of a Text* *On the Voice* *The Holy Spirit in Connection with Our Ministry* *The Blind Eye and the Deaf Ear* *On Conversion as Our Aim* *Illustrations in Preaching* As were all of Spurgeon's messages to his people, each of these lectures is Scripture-saturated and Christ-honoring. They move swiftly and are fascinating in their content and sage counsel.

Book Information

Audible Audio Edition

Listening Length: 21 hours 5 and 11 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Zondervan

Audible.com Release Date: February 28, 2012

Customer Reviews

In terms of content *Lectures to my students* was five stars. Other reviewers have given their thoughts on the content, I would recommend looking to a different review for comments on content. But in terms of the editing in the kindle version (from "fig publishers" or "fig tree publishers") which was \$1 the typos seem to increase as the book goes on. It needs editing, even an quick

browse by the publishers through each chapter would suffice to catch many typos..There were parts I had no idea what the sentence conveyed, because a word was missing. In fact many parts like that.The misspellings and typos, we're distracting, especially in the later parts of the book.I bought this Kindle edition with excitement because it was only one dollar; perhaps I should have bought another publishers edition.

I really enjoyed this book and recommend it for anyone in the ministry or entering the ministry. There are countless gems of insight and anecdotes by Spurgeon of his own experience, fellow ministers, and great men of God in days gone by. Each section is a precise snapshot of how old school, revival, God-entranced, Word-centered, Spirit-empowered ministry should be. There is great inspiration to be found here that challenges you to go deeper in your personal devotion in order to be more fruitful publicly. But what really amazed me was the practical advice that was given in every area of ministry from private to public prayer to sermon writing and delivery. Very insightful; and I am thankful to have gleaned these truths from the prince of preachers. The first 6 chapters are particularly captivating as they describe the essence of the minister and what his character and he in himself should be. Also worthy of special note is the chapter near the end on spiritual depression of the pastor/preacher; it is quite valuable.This is one of my top 5 books. All of Spurgeon's works are worth the effort and resources to secure (such as his autobiography, commentary on Psalms called Treasury of David, salvific work titled All of Grace, and monumental 63 volume sermon set :), but that is not always feasible. If you were to have only one book by Spurgeon, I would say this should be it.As has been said in the other more negative reviews: the presentation is not that great (this is the bibliobazar edition). The book itself looks very clean and sharp; it's a good size too, which I appreciate (just has a good hold and feel in your hands as you read). BUT, the type size is extremely small and the font is just okay. There are little spot marks and smudges in some places (though the text remains legible), due to the book being a photocopy of an earlier print. Also, this is only the first volume of what is a 4 volume set (comprised of Lecture Series 1,2, and 3 and "Commenting and Commentaries"), the whole of which can be found here on in one convenient edition. Just search for the ISBN 978-0851519661 and you'll find it (notice the page count compared to all the others; the complete version clocks in at a whopping 911 pages). The full edition is produced by Baker and is very high quality.Lastly, as this material dates back to the 1800s and is therefore open source, free PDFs of each Lectures series are available. Just search "lectures to my students pdf" and they should come up.

This book rarely goes out of print and I am please to see it in digital format. These classic Christian lectures that Charles Haddon Spurgeon delivered to his seminary students years ago remain just as highly applicable and informative today as they did in his day, and perhaps even more so in that the need may be greater in this age than his. Regardless, no serious student of the Bible, pupil of preaching or disciple of the Master would want to be without this wonderful compendium of the Prince of Preacher's lectures.

This had it's ups and downs, some chapters were better than others, but it was a very useful tool to spark discussion in our church's leadership class. A note about the Kindle edition: The publisher did a terrible job transferring this to e-book format. It would appear that they did this by scanning and using OCR, but did no proofreading. There are a number of errors that range from frustrating to amusing. In most places you can glean what was being communicated, but there are others where you can't. Some chapters are without errors while others are full of them. My rating reflects only the content, not the 'delivery' in the form of the Kindle version.

One of my favorite classics. Great for students.

Wonderful works of Spurgeon's

I recommend this book to all men who have been called to ministry. Spurgeon excellently teaches on the ministry, never diverting from depth of content, and yet unafraid to hit on the very practical. He is convinced that every aspect of the man, no matter how small, ought to be excellent and prepared for service. Thus, he touches on things such as the voice, stage presence, illustrations, and on the matters of holiness, prayer, and the unction of the Holy Spirit. As usual, Christ shines forth through Spurgeon. Though I do admit that not every chapter is my favorite. Some honestly stretched on long. But even those gave me a rich blessing when I went through it. A must read!

Njce hardcover book. I like it very much. Good read
