## **Customer Reviews**

Started reading had to keep reading. Could not put it down for very long. Keep up the good work. I will get more of your books.

Picking and choosing the stories I want to read and they are good

Enjoyed reading these short stories about mail order brides. However found a lot of errors in the writing of the stories. Mistakes with who they v were talking about.

The books were enjoyable but lacked a lot of editing that was very distracting. Storylines were good and held my attention.

same as above

Good clean reading. Each story easily read in 30 min to an hour;when have time for short respite. Really enjoyed.

I love the stories and have even read some twice. The spell could improve!!!

Loved everyone of the stories!
