Customer Reviews

Bought these two books as a gift for a friend's son. He is 8, and is really into wrestling. He was thrilled; immediately started reading them. For any youngster who likes wrestling, this is a great gift.

My grandson was just thrilled to receive this.

My 9yr.old Grandson loved it

Triple A all the way.

My son liked this book!

My nephew loved them... I great way to get reluctant readers who are WWE fans excited about reading.It's probably about an end of 2nd to beginning of 3rd grade level book.

5It was the best book I have readI loved it best book everI likes itEvery b

I'm not sure how DK levels their reading books. I expected about a 2nd grade reading level, but there are many words that my struggling 6th grade student, who reads at a second grade level cannot decode. A bit disappointing..
