## Customer Reviews

Hometown: Charlottesville, Virginia Pat Cross is an award-winning rug hooker, designer, and teacher whose work has been published in Rug Hooking Magazine. This is her first book.

Not as many designs as I had hoped. There are a few that I like so I have not passed the book along yet, but for me it is not a keeper.

Loved the book; very informative and inspiring. Thanks for the prompt service and the excellent price. It has permanent residence for not only night time reading but also for fingertip info. Would highly recommend.

Thank You Great book

Great book, nice project.

excellent book with patterns included

Very informative, clear and concise language, great photos and wonderful designs.

I love the designs in the book! So many ways to express the primitive look that remains very popular. Well written and definitely a welcome addition to my rug hooking library.

Nice book for beginning rug hookers. I kind of expected more.
