Knock Knock is an independent maker of clever gifts and books. Our crackerjack in-house team creates humorous nonfiction and specialty journals from the ground up, and we also publish new titles from outside authors, bloggers, and other creative types.

Filling out this journal was a bunch of fun for my husband and me. We did it over the course of a week or so, when we had the time. Sometimes we put in outlandish answers, sometimes sweet, sometimes just goofy. It was perfect for her age. This book may be more geared to adults, but it worked just fine for our girl. Somehow reflecting on our wishes for her and our admiration for her as a person was a gift for us too.

I really loved knock knock Happy Birthday book. I greatly recommend this cute book!! I had so much fun writing out things and when I gave it to my friend we couldn't stop laughing until the end. My friend even exclaimed, every person should get something like this in life. It is cute and funny :) We

loved it!

Fun book. My husband got such a kick out of it. These books are fun because it is nice to write about someone and have them read it in person. A breath of fresh air away from social media and texting!!!!

So cute and creative thing to do for someone! I did it for my boyfriend and I was laughing to myself as I filled it in. Such a fun idea!

Fun cheap gift to fill out for my wife's birthday

It was a great gift to give instead of a card, it was a great idea for someone special!!! I would recommend to others
