The Orvis Guide To Beginning Fly Fishing: 101 Tips For The Absolute Beginner (Orvis Guides)

Synopsis

This book, written with the support of America's oldest fishing tackle business, offers beginners a chance to learn the fundamentals of the great sport of fly fishing quickly and easily. The Orvis Guide to Beginning Fly Fishing can be the start of a lifetime journey of discovery that will increase your intimacy with the natural world and allow you to gain skill and finesse in your fly fishing techniques. Proven teaching techniques and bright, helpful illustrations and photographs will enable new fly fishers to:

- * Select and assemble proper, balanced tackle
- * Cast a line with authority and accuracy
- * Choose the correct fly for any situation
- * Tie the two most useful fishing knots
- * Find fish in lakes, rivers, and salt water
- * and much more

Here are fishing ethics, helpful safety advice, basic angling terms, everything the new fly fisher needs in a crisp, helpful, and finely illustrated primer of the highest rank.

Best Sellers Rank: #47,367 in Books (See Top 100 in Books) #25 in Books > Sports & Outdoors > Hunting & Fishing > Fishing #349 in Books > Sports & Outdoors > Outdoor Recreation

Customer Reviews

The Orvis Company is the oldest mail order company in the USA and has been outfitting its customers since 1856. It offers a wide array of hunting, fishing, and sporting goods in addition to a variety of items for dogs and their owners. They are headquartered in Manchester, Vermont. Tom Rosenbauer began commercial fly tying at age fourteen, and he has been a fly fisher for over forty years. He is the author of fifteen books, including The Orvis Guide to Reading Trout Streams, The Orvis Fly-Fishing Guide, and Fly Fishing in America. He has worked for Orvis for thirty-six years. He is the Fly Rod & Reel 2011 Angler of the Year.

It needed to be more linear, step by step, from rank beginner to intermediate to advanced. Also there was a disappointing lack of helpful illustrations. It seemed like a collection of unrelated short articles rather than a continuum of instruction.

Random mish mash of tips. No narrative or direction. Did answer some questions I had, but most of the answers will just lead you to more questions. Learn to fly fish from a guide and save your money. One trip will get you going.

Along with, Longboard surfing, Horses and reloading and .shooting British arms. I Love Fly Fishing..

Well maybe that is a bit of an overstatement but as a complete novice, never held a fly rod, i figured this was a good start and i was not dissapointed. An easy read with helpful hints so as not to hook yourself in the seat of the pants or worse. They even have a section on what to do if you hook yourself or someone else. The detail helps with things I didn't even know existed. Well worth the read and study. Practice what they explain and you should have an enjoyable fly fishing adventure. I know I will.

I was 31 years old the first time I tried fly fishing. My father was not a trout fisherman and I didn't have any friends whom I would consider expert fly fisherman. This book has been very helpful. It covers everything from rod and reel selection and casting, to fly selection and presentation. I would recommend this book for any beginner who does not want to pay a guide.

Great product.

Helped alot

lots to learn
