Patron On Ice: The First Couple Of The Trap

Synopsis

Icey, better known as Ice; considers herself a professional booster. She's highly skilled in the art of finessing the shelves of whatever store she decides to walk in. She's able to easily snatch several six figure items right under the nose of the salesperson without them even noticing. All is good, except she wants to upgrade her hustle so she could get more money. Reecy Pooh is Ice's best friend, and Rhondo's girlfriend. She's been doing licks with Ice for years, and they have it mastered as a tandem. Money isn't the issue however, as she's finding out that her greatest difficulties reside with her thinking that another man, a savage robber, could provide to her what her dope dealing boyfriend, Rhondo, failed to. Patrick, aka Patron is a hardworking man with a landscaping company-- He's also Ice's most loyal customer, buying items from her that he doesn't even need just because of the crush he has on her. Situations arise that put his loyalty to the test, and he's forced to make some difficult decisions. Jose, Patron's best friend and an illegal immigrant from Mexico, has helped him start his landscaping company from scratch-- risking deportation everyday, he fights daily to provide a better life for his family back in Mexico. He's doing well until both of their worlds come crumbling down. A classic street lit novel with betrayal and surprises popping up from around every corner. Cleverly written and laced with the slow-burning aggression of a passionate ride or die love story. Stacks on deck, Patron on Ice.

Reecy was as grimy as they came. One would think she'd do everything in her power to be there for the one that always has her back instead of getting over. I wonder if Rhondo would still deal with Reecy if he knew why everything happened to him. I really liked Ms. Lattis because even though she didn't agree with what Ice set her mind to do she was still there and supportive. She proved she actually had Ice's best interest at heart and would protect her through it all. The way Patron handled the situation spoke volumes because it showed the amount of love he had for the one that had him completely nervous. Jose was a true friend and I can't wait to find out more about him and. As far as Albert and Jiip they were trifling and scandalous for how they handled Reecy but that heffa deserved it considering how she was moving before and after. Patron momma wasn't worth a damn but I'm glad after everything he was able to finally have a chance at he missing piece of his life.

This book was everything from beginning to end drama action intense enjoyed reading every page intense puzzle revelation revealed well written love it story well eager to see how they grow and getting know Jose he was the secret ammunition to get things up shows loyalty his mom was terrible but her friend I hope she meet karma can't wait for part two awesome writing
