Customer Reviews

Information on ports, harbors, anchorages, marinas, shopping, and local attractions. Distances to harbors with GPS co-ordinates at the entrance to each harbor. Includes Green Bay, Grand Traverse Bay, the Lake Michigan islands and all major harbors on Lake Michigan.

I purchased the terrific Waterway Guide Great Lakes edition, which of course includes Lake Michigan. It covered all the harbors and well traveled routes, but I wanted information about some of the small, uninhabited islands particularly in the northern part of the lake. There is no mention of Garden Island or Miniss Kitigan, literally "island garden" in the Ojibwe language, nor any of the other small islands in the archipelago. Cruising Lake Michigan has an entire chapter devoted to these islands. If there was a way to access them, Skipper Bob along with his wife Elaine documented it. Having cruised in the Bahamas's and parts of the Caribbean, I can attest there is no better way to make safe harbor than to combine information from other sailors with a concise, detailed cruising guide. I only wish I could give Bob, Elaine and all the other contributors more than Five Stars!

Jennifer
