Poker Winner's Mindset Bundle: No Limit Hold'Em Practical Guide And No Limit Hold'Em Advanced Guide

Synopsis

The book *Poker Winner's Mindset: No Limit Hold'em Practical Guide* contains both clear practical guidelines and useful theoretical knowledge, helping you to success in No Limit Hold'em as quickly, as your reading speed is. By reading this book, you will be able to always and easily find answers to such common questions, like what position to choose? When to raise without a doubt? Why fold? And others. The book *Poker Winner's Mindset: No Limit Hold'em Advanced Guide* teaches you some techniques and strategies designed to help you not only win more when playing poker, but also maintain your win rates over the long haul. The book is designed to help you understand and cope with some of the common problems most serious players have to deal with. It goes beyond the standard strategy considerations and dwells deeper, looking for some underlying issues that could cause even a theoretical winning player to struggle and post results that are far below his actual capacity. By helping you identify these issues, Chapter 1: 'Why You Aren't Consistently Winning at the Tables' hopes to guide the reader on the path of poker success and provide a much-needed motivation to stay strong and weather the storms when luck fails to cooperate, and win even more when cards do come your way! In the same time, Chapter 2: 'Live & Online Poker Tells & Truths and Myths' touches upon some of the most common tells and patterns in live and online poker games. It represents an essential and easy-to-understand guide for anyone looking to improve this aspect of their game and learn how to further improve their winning chances by taking advantage of subtle things most amateur players regularly fail to recognize.
