Ohio's Covered Bridges (Postcard History Series)

Synopsis

More than 200 of Ohio's historic covered bridges, some of which have survived and many that have not, are once again captured in Dr. Elma Lee Moore's Ohio's Covered Bridges. Classic images of these treasured bridges that have spanned Ohio's rivers, creeks, streams, and gorges are presented in vintage postcards of the past. The GPS location is listed for each existing bridge.

Customer Reviews

Very well researched. A excellent collection of covered bridges, many of which are no longer in around. Brought many of the old bridges 'back to life' for me.

my husband and i love to travel, and we are using the book to visit as many of the covered bridges that are still standing in Ohio before they all are gone! good reference book!
