Lonely Planet Czech Phrasebook & Dictionary

Synopsis

Lonely Planet: The world's leading travel guide publisher Anyone can speak another language! It's all about confidence. This book will give you all the practical phrases you need to explore the countryside, visit Golden Prague, and tour castles and mountains worthy of the Brothers Grimm (in fact, the 2005 movie of that name was filmed here). It also contains all the fun phrases you need to connect with local people and get a better understanding of the country and its culture. Never get stuck for words with our 3500-word two-way dictionary Order the right meal with our menu decoder Avoid embarrassing situations with essential tips on culture & manners Coverage includes: Basics, Practical, Social, Safe Travel and Food Lonely Planet gets you to the heart of a place. Our job is to make amazing travel experiences happen. We visit the places we write about each and every edition. We never take freebies for positive coverage, so you can always rely on us to tell it like it is. Authors: Written and researched by Lonely Planet and Richard Nebesky. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

Shipping Weight: 4.2 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 59 customer reviews

Best Sellers Rank: #68,070 in Books (See Top 100 in Books) #41 in ÃÂ Books > Travel >

Customer Reviews

It won't teach you the language, but it will help you get by. Used it frequently, and regretted it when I failed to bring it. I might suggest they include a one or two page tear out, to make it easier to bring just the "survival" phrases with you. Czech is a difficult language, and outside the tourist centers we ran into a number of "non-English" speakers and menus.

I liked the book well enough, but my native Czech friends laughed at some of the translations.

I bought this for my friend to help them plan a trip, they said it was amazing.

I love to use Lonely Planet travel related books since 1986. They have never let me down.

Worked as designed.

This book is perfect for my needs. It's very small- purse size. It covers topics I will need for travel plus more. The topics cover areas someone would need for a long term stay. I can use it before the trip to learn basic phrases with their phonetic pronunciation since I can't read the Greek alphabet. I can use it for reference to speak to shop clerks and waiters while there.

Better than mostly travel/phrase books I've had over the years, and I've had a lot!

As someone who is always interested in learning a little of the local language and not being a typical ignorant tourist, I of course again went to Lonely Planet for their awesome phrasebooks that have served me well for more than a decade. What they don't tell you is that no one in Greece speaks Greek. Of course that statement is an exaggeration. However over our 9-day trip to 5 cities, with the exception of one restaurant, everyone spoke English to us everywhere. Even places where we could easily - if not more likely - been tourists from another European country, the first words were English. The country thrives on tourism and that is made abundantly clear by the universal mastery of English. Which makes it easy, if at the price of losing a little of the magic that comes from traveling to new places. At any rate, the spine of this book was barely cracked. It may technically be just as good as every other Lonely Planet phrasebook. Except it definitely lacks the usual utility. So

when you buy something and end up never wanting to use it...I have to take a star away.
