Jayne Ann Krentz CD Collection 3: White Lies, Fired Up

Synopsis

White Lies: Relationships are challenging enough for most single over-thirty women. For level ten parasensitive Clare Lancaster, they're a minefield. The elite few who know her secret call her a human lie detector, and any falsehood, no matter how subtle or well hidden, sets her blood racing. Clare has resigned herself to the fact that everyone, to one degree or another, hides behind a facade. Including her recently deceased brother-in-law. When Clare finds the body of Brad McAllister, the golden child of Stone Canyon, Arizona, the posh residents turn a suspicious eye in her direction. As Archer Glazebrook's daughter, Clare is shielded from the law, but not the gossip. After meeting Jake Salter, Archer's "business consultant," she is convinced that things aren't what they seem. Something sparks and sizzles between them - something more than the usual electricity between a man and a woman. Caught in a dizzying storm of secrets, lies, and half-truths, Jake and Clare will plunge into an investigation that demands every bit of their special gifts.

Fired Up: More than three centuries ago, Nicholas Winters irrevocably altered his genetic makeup in an obsession-fueled competition with alchemist and Arcane Society founder Sylvester Jones. Jack Winters, descendant of Nicholas, has been experiencing nightmares and blackouts - just the beginning, he believes, of the manifestation of the Winters family curse. The legend says that he must find the Burning Lamp or risk turning into a monster. But he can't do it alone; he needs the help of a woman with the talent to read the lamp's dreamlight. Jack is convinced that private investigator Chloe Harper is that woman.

Customer Reviews

Jayne Ann Krentz is the author of fifty New York Times bestsellers. She has written contemporary romantic suspense novels under that name, as well as futuristic and historical romance novels under the pseudonyms Jayne Castle and Amanda Quick, respectively. She lives in Seattle.

I was so happy to get 2 of her books for so cheap, until I saw the TINY writing on the discs. These are abridged! so the regulars audio books which are usually 8 or 9 hours of enjoyment are only 5. No where on the outside does it say these are abridged.

I listened to the audio version, and enjoyed it. It kept me awake while I was driving, which is why I buy audio books. I have read several of the Arcane Society books and so far, liked them all.

I enjoyed it but was disappointed with way it was abridged. I do not understand why they abridge these novels. If I had realised would never have bought it. I actually prefer audible.com who often give you the choice of either abridged or unabridged.

Any and all Jayne Ann Krentz books are wonderful. I made a mistake in ordering though as I didn't realize these were abridged. I need to be more careful -- they were wonderful though.
