## Customer Reviews

Received book earlier than promised and it was exactly as advertised. We are very happy!

When the book arrived, it was raining heavily, I was afraid that it could be ruined by the rain, but it was wrapped with bubble plastic paper. That was so considerate! The book is in very neat condition, too. Thank you!

Needed it for school. It arrived as promised!

Met User Expectation.

for daughters school

Served it's purpose!

Great

Took for ever to ship, and the inside pages have tape on them very visible, wasn't aware rebound meant glue and tape. Also the book is bigger than what it's supposed to be. Hope the school takes it for a replacement.
