Since 1973, Rick has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves&#39; Europe in Edmonds,

Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie. Great Book- lots of important details. Heading for Eastern Europe in October and will know better then how good it is. But seems to be exactly what I was looking for.

Always use his guidebooks

I love Rick Steves travel shows. His books are even better...great ideas of maneuvering around and best things to see and do. I also love that the book is a little smaller which makes it easier to travel with.
