# Writing Matters: A Handbook For Writing And Research (National Tabbed Edition)

## Synopsis

Writing Matters unites research, reasoning, documentation, grammar, and style into a cohesive whole, helping students see the conventions of writing as a network of responsibilities writers have— to other writers. Writing Matters emphasizes the responsibility writers share, whether collaborating online in peer review or conducting research with digital and print sources, to treat information fairly and accurately and to craft writing that is unique and original— their own! — to the audience. Writing Matters emphasizes the need to use conventions appropriate to the readership, to write clearly, and to provide readers with the information and interpretation they need to make sense of a topic. — to the topic. Writing Matters encourages writers to explore a topic thoroughly and creatively, to assess sources carefully, and to provide reliable information at a depth that does the topic justice. — to themselves. Writing Matters encourages writers to take their writing seriously and to approach writing tasks as an opportunity to learn about a topic and to expand their scope as writers. Students are more likely to write well when they think of themselves as writers rather than as error-makers.

## Book Information

Spiral-bound: 544 pages

Publisher: McGraw-Hill Education; 2 edition (January 10, 2013)

Language: English

ISBN-10: 0077840283

ISBN-13: 978-0077840280

## Customer Reviews

REBECCA MOORE HOWARD chairs and directs the Writing Program at Syracuse University. She is co-author of "Standing in the Shadow of Giants" (1999), "The Bedford Guide to Teaching Writing in the Disciplines" (1995), and co-editor of "Coming of Age: The Advanced Writing Curriculum" (2000 forthcoming).

Great

Very specific .. good book

Impeccable conditions, very pleased with item. And fast shipping.

I like the tabbed much better than textbook, you don't have to read all the filler crap, just gets right to business. Plenty of examples if you don't want to read at all and can copy layout and formatting well

highly recommended

it was too beat up but for oh well dont even use it for the class which is BS

The book was in very good condition, and arrived in a timely manner as promised. I'm in grad school and the book is an outstanding tool for graduate level writing! The book gives clear explanations of grammar rules, etc. Great points are implemented throughout the book, as well.

This was a gift and the recipient was happy with it
