Spectrum Writing, Grade 8

Synopsis

Spectrum(R) Writing for grade 8 guides students through each step of the writing process as they write paragraphs, personal narratives, fiction stories, descriptive comparisons, outlines, research reports, persuasive arguments, and more. Spectrum(R) Writing workbooks guide students as they write for a variety of purposes, including writing to tell a story, writing to provide information, and writing to state an opinion. Lessons support current state standards. Step-by-step instructions help with planning, drafting, revising, proofreading, and sharing writing. A Writer's Handbook reinforces grammar and language skills, and a complete Answer Key is included. Engaging, open-ended writing projects combined with standards-based learning make these workbooks an essential resource for school success. Spectrum, the best-selling workbook series, is proud to provide quality educational materials that support your students' learning achievement and success.

Customer Reviews

Good workbook, I use it to supplement my sons online learning curriculum. It keeps him doing some handwriting. He doesn't like to write, this is pretty simple with short assignments so he doesn't mind it.

love these books use these over the summer for our kids so they stay ahead of the game. Brain Quest only goes to grade 5 or 6th after that I was like what do I do now?? These are the next step

up cant go wrong

This eight grade math book prepared me for eight grade.

I am very excited for this writing workbook for my daughter! She loves to write but she struggles with how to write properly. This workbook is going to help out awesomely! Thank you!

I love the spectrum workbooks. They are great to use if you are homeschooling through a charter and you have to turn in worksheets every month.

Great workbook to supplement our writing curriculum!

Spectrum Curriculum is great! So glad to have found it!

You must know how to teach it
